

GSA LOGO USAGE GUIDELINES

By downloading any GSA graphics, you indicate your agreement to the following terms of use:

1. The GSA logo is composed of two parts, the mark and the name element. Both parts of the logo **MUST** be used together and may not be rearranged for any reason.
2. The logo must be surrounded by an area of isolation equal to the distance from the bottom of the mark to the tip of the arc. This area is built into the graphic as white space. **DO NOT** crop the white space from the image file.
3. The logo should never have a border.
4. Colors may not be altered in any way.
5. The minimum size of the horizontal logo (mark and name element) is 110 pixels wide.
6. The minimum size of the stacked logo (mark and name element) is 50 pixels wide.
